

## **Panchshil Realty announces Twinkle Khanna as design partner**

Twinkle Khanna, award winning, renowned interior designer, and Panchshil, Pune's leading property developer, forge a dynamic new partnership in the world of property. Together they bring a unique style and exciting aesthetic approach to create iconic contemporary living spaces. The partnership developed due to the mutual drive and enthusiasm that they both have towards design and quality which will inevitably lead to an outstanding final result, hence both Twinkle's and Panchshil's determination to only delivering the best to their clients.

Exclusively for Panchshil's premium projects, Twinkle creates three home environment style palettes; intuitive, inspirational, luxurious spaces designed to evolve and grow with the people who live there. Twinkle strives to create homes that 'bring the outside in', adding classic vintage pieces that add depth and style, all with a contemporary, natural feel to create stylish comfort and elegant living for the clients.

*"We are extremely delighted and proud to be working with Twinkle Khanna as our design partner. Her work is outstanding, inspirational and eclectic and we are confident that this collaboration will be an enormous success."* **Mr. Sagar Chordia, Director, Panchshil Realty**

Panchshil's constant motivation to create something that is spectacular and exceptional in real estate drives them to always strive to push the boundaries in terms of design, quality and innovation.

Her success as an interior designer is shown by winning the Elle Decor International Design Award (EDIDA) for best wall finishes and coverings and the Society Interiors Award. In 1998 Twinkle began her interior design career as a site supervisor for a renowned Mumbai architect. Two years later she started her own interior design business and opened a home decor store, the White Window. With a portfolio that includes projects for Bollywood stars and top industrialists, Twinkle is very much sought after and has, with her signature style, created homes both in India and London. Twinkle's clever use of colour, texture and handcrafted carved motifs are seamlessly blended into ultra-modern apartments to create an eclectic unique mix.
